Missed James's Wilson Dear Carrie
I met Anne your sister after
making seeing their pen-liner leaves
and all well hoping to find you
at the same place it is the
dearest home and heart I see
you James I haven't much
to write James I want you
to tell me a bit about the crops
and I want to know just
as soon as you can write
if crops are good there yet
and if you will let me just
as much as I can. If I do
to help James better
and tell me a bit about the
crops I expect it will
go to Birmingham I had
rather come and there if
there is good crops if you
can hear of any and wanting
to have a good looking boy
tell them about me we are
going and where you write just
as soon as you get this letter
James the same has much.
